20.1 In terms of the YeboYethu MOI, a deemed offer ("Deemed Offer Event") to YeboYethu will arise upon the occurrence of certain specified circumstances or events. If such a Deemed Offer Event occurs in respect of you, and for so long as it continues, YeboYethu may (but is not obliged to) give written notice to you and us stating that such Deemed Offer Event has occurred ("Deemed Offer Notice"), which notice may require you to sell to YeboYethu all of your YeboYethu Ordinary Shares (the "Offer Shares"). The Deemed Offer Notice will specify the terms and conditions of such sale as regulated by the provisions of the YeboYethu MOI (including, without limitation, the relevant purchase price in respect of such sale and the date upon which such sale shall take effect). You have agreed in terms of the YeboYethu MOI that in such circumstances, you must sell the Offer Shares to YeboYethu upon the specified terms and conditions.

20.2 We acknowledge and accept that we shall be bound, to the extent applicable, upon receipt of a Deemed Offer Notice from YeboYethu to act in accordance with any instructions therein to give effect to the sale of the Offer Shares to YeboYethu. 22.3 you are not holding the YeboYethu Ordinary Shares for somebody else; and
22.4 you will not try to sell YeboYethu Ordinary Shares belonging to someone else.

PART 6 - FEES

23. FEES AND TAXES

23.1 Fees and taxes you must pay

There are fees and taxes for using the Online Trading Platform. You will only be charged a fee once the Transaction has occurred. The fees and taxes which you are liable to pay are the following:

23.1.1 Transaction Fee

23.1.1.1 You must pay a Transaction Fee to the Custody Entity. The Transaction Fee paid covers both our and the Custody Entity's costs for the Transaction. The Transaction Fee which you must pay will be the higher of R115 per day (ie R115 per Transactions for that day) or 0.35% of the value of the Transaction.

23.1.1.2 The Transaction Fee is deducted from your Online Trading Platform Account each time your Order to Buy or Order to Sell results in a Transaction.

23.1.1.3 These are the only fees for the Transaction, and the Transaction Fee covers all other costs related to this Transaction (including Strate settlement fees, JSE Member transaction fees and bank costs for payment of settlement proceeds if you have chosen to be paid out on settlement date after your order results in a Transaction).

23.1.1.4 Examples of how Transaction Fees and taxes are calculated can be seen at Appendix A to these terms and conditions.

23.2 Fees for Partial Transactions

23.2.1 During Normal Trading Hours the Transaction Fee deducted from your account for each Partial Transaction is 0.35% multiplied by the value of the Transaction. If the total Transaction Fee deducted from your Online Trading Platform Account during the day for a Partial Transaction is less than R115 then the difference between this total and R115 will be deducted from your Transaction Account after Normal Trading Hours.

23.2.2 If only part of the Order to Buy or Order to Sell is cancelled or ends, we still charge the Transaction Fee and taxes on the part of the Order to Buy and the Order to Sell that results in a Transaction.

23.2.3 If you cancel your remaining open Order after a Partial Transaction on any following day and there have been no Transactions for this open Order you will not be charged a fee.

23.2.4 VAT

Both the buyer and the seller must also pay VAT on the Transaction Fee only. VAT is not payable on Securities Transfer Tax. VAT is currently calculated at 15% of the Transaction Fee. This percentage is set by government and may change. VAT is deducted from your Online Trading Platform Account at the time the Transaction occurs either during the day or if the remainder of the minimum Transaction Fee is applied after the JSE closes in terms of clause 23.1.1 above.

23.2.5 Securities Transfer Tax

The buyer must also pay an extra tax to the government called Securities Transfer Tax on the transfer of YeboYethu Ordinary Shares. This is currently calculated at 0.25% of the value of the Transaction. This percentage is set by government and may change. The Custody Entity deducts the Securities Transfer Tax from your Online Trading Platform Account at the time the Transaction occurs. The Custody Entity pays the Securities Transfer Tax as part of settlement obligations for Strate settlement

processes which process facilitates your compliance with your obligations to the South African Revenue Services in this regard. You have no obligations to ensure that your Securities Transfer Tax is paid on any purchase as this is collectively the responsibility of the Custody Entity, Strate and the relevant JSE member.

- 23.3 Fees if Orders to Buy or Orders to Sell are cancelled or end
We do not charge any Transaction Fees if the full Order to Buy or a full Order to Sell is cancelled before a Transaction occurs or if it expires.
- 23.4 When the Transaction Fees can increase
 - 23.4.1 We may increase the Transaction Fees at any time. When we do, we will give notice to you.
 - 23.4.2 Increases to the Transaction Fees do not apply retrospectively to Transactions. Each time you make a new Order to Buy or Order to Sell, we will inform you of the Transaction Fees and taxes that apply before you confirm the Transaction.
- 23.5 We do not give refunds when a Transaction has happened
We do not give any refunds for Transaction Fees, taxes and costs for Transactions that have settled.
- 23.6 Online Trading Platform Account Information
You can access details of your Transactions and activity on your Online Trading Platform Account on the Online Trading Platform Website or through the Call Centre.

 - 24.2.4 Until you have agreed to the changes to these terms and conditions, each time you log in to the Online Trading Platform Website or contact the Call Centre, we will give you a chance to agree to the changes.

If the changes we make to these terms and conditions do not relate to Transactions, we will still process Orders to Buy and Orders to Sell that you made before we made the changes. But we will not do this if the law or the Public Authority does not allow it.
- 24.4 If the changes relate to Transactions
If the changes we make to these terms and conditions relate to Transactions or the law requires it, all existing Orders to Buy and Orders to Sell will be temporarily suspended until you agree to the changes. You will also not be able to place any new Orders to Buy or Orders to Sell until you agree to the changes. This will apply from the date that the changes come into place.
